WHAT IS A GUA NUMBER FOR?

In very simplified terms, your Gua Number is based on the year of your birth and helps determine the best energy for you i.e. best sitting, working, eating or sleeping positions as well as compatibility with partners – personal or business. This number has Colours, Shape and Earth Elements attached to it that are used to draw the best possible energy in all personal and business areas, including logo and website design.

Calculation Process for Female

If birth date is before Chinese New Year ~ Feb. 4 or 5 ~ subtract 1 from the year number.

Add all digits of the year together

If the result is higher than 9 add digits together

Add 4 (females only)

If the result is higher than 9 add digits together

If the result is 5 change to 8

RECOMMENDATION FOR THIS PARTNERSHIP

**This is a very auspicious partnership.
Mary as the Fire Element should take the "lead" position in this company
as she has the more dominant ELEMENT of FIRE.**

**Birgit's WOOD ELEMENT is extremely complimentary as
WOOD is the producing ELEMENT of FIRE.**

Gua Number

~ 6 ~

Element

~ Big Metal ~

Note: Using the Elements, Colours, Shapes for the Element of Metal is not recommended as Metal should be avoided – see below.

CAUTIONS

Do not use:

Deep Dark Tones like Black & Dark Blue, Free Form Shapes or the element of Water as it destroys the energy of Fire – Reds.

Avoid:

Pastel & Metallic Colours, Circles – Ovals - Arch Shapes as the element of Metal, reduces/controls the element of Wood (chops through it).
